Not By Chance Shattering the Modern Theory of Evolution

Not By Chance Shattering the Modern Theory of Evolution
April 16th, 2019 - When prominent biologists claim that “evolution is a fact ” they are
stating a half truth that means far less than what they would like the public to believe The
theory of evolution—and it is just that a theory—states that the development of life is a
purely natural process driven by known mechanisms But this is simply not true

Evolutionists Confusion over Mutations and Information
April 14th, 2019 - and Information Put to Rest Dr Lee Spetner It is therefore not a valid
theory The evolution that has been observed to occur is driven not by random mutations
but by nonrandom genetic changes caused by transposable elements that are triggered by
stress on the organism Not by chance Shattering the Modern Theory of Evolution
Brooklyn

Not By Chance – Judaica Press
March 19th, 2019 - Dr Spetner examines information and randomness in evolution in a
way that seriously challenges the modern theory of evolution Dr Spetner s Not By Chance
shows that The randomness of mutations essential to modern evolution theories cannot
account for a buildup of information through evolution
